Postage, amounting to £1 and upwards, on inland letters, etc., and parcels may be prepaid at the Head Office in money instead of stamps.

INLAND NEWSPAPERS.

For each newspaper..... The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the

deficiency.

Every newspaper must be posted either without a cover or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are

Parcels addressed to a Post Office to be called for are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

should appear on the outside of every parcel.

INLAND REGISTRATION AND COMPENSATION.

Post Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 6d. for the first 12 words, and ½d. for each additional word. Addresses are

charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one-half the ordinary tariff, a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus—½ counts as one word,

and $109\frac{1}{9}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 3d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

The Aberdeen Post Office is now in direct telephonic communication with all the important towns in the United Kingdom.

AND

SURETYSHIP ASSOCIATION, LIMITED.

The only Scottish Office transacting Fidelity Guarantee
Business alone.

SUBSCRIBED CAPITAL,

£500,000.

INVESTED FUNDS,

£98,000.

Insurance against Fraud and Embezzlement.

The question of FRAUD by trusted Officials is so frequently trought into public prominence that the necessity of Employers holding adequate Security on behalf of responsible persons whom they employ must be freely admitted. It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper Security is held on behalf of those whose Funds they administer, and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION are based on the statistics of upwards of forty years' experience, and a full Prospectus containing an approximate Table of Rates for the various classes of risk will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate Security to ACCOUNTANTS, SOLICITORS, AND OTHERS, in connection with Court appointments, and will give full particulars of the special facilities afforded on application.
